Prayer for Sick and Hospitalized

- Larry Anderson - had a CAT scan yesterday - finds out the results next week
- Martha Appleget - went to the ER last night and was diagnosed with a bowel obstruction - the lymph nodes have intertwined around the bowel - pray for wisdom for the doctors as they evaluate how to handle this situation due to her leukemia and her ability to have surgery
- Irene Boughton - cancer
- Lisa Caynor (missionary) - is now recovering from the car accident in a Rehab Hospital in California
- Jim Earl - recovering from pneumonia
- Barbara Goad - Clarian West Isolation - infection
- Lisa Golder (Norm & Ruth's daughter) - cancer - got a good report but still has a long recovery
- Billie Jean Hammerschmidt (Tim Patrick's mother) - recovering from surgery to remove a cancerous tumor from her colon
- Jill Merritt - continuing health problems
- Barbara Reed (Debbie Heffner's mother) - cancer
- Rita Shepherd - cancer
- Dottie Swails - had doctor appointment earlier this week; doctors are trying to salvage her foot and are doing an alternative treatment for six weeks - they will then determine if amputation of the right foot is necessary
