

Mission Statement

Bethesda Christian School is committed to developing students of excellence in every aspect of life from pre-kindergarten through 12th grade. We seek to combine academic excellence with a Christian worldview as we prepare students to become leaders of influence in our culture.

Statement of Faith

View of Reality: God is sovereign above all things. All things exist and have their being through Him. Through Christ and His Word we can view the real world. (Romans 11:36, II Corinthians 4:18)

View of Man: Man by creation has the highest position on earth. He has the comprehension of God and is created in the image of God. Yet man is also depraved (Romans 3:23, Romans 1). Left to himself, he will disappoint his Creator (Isaiah 53:6). Man's greatest need is to return to God and accept Him as Lord and Savior (Romans 10:9-10; Romans 6:23; John 3:16; Romans 12:1) and faithfully serve Him.

View of Truth: Man's reasoning is finite while God's wisdom is infinite. Therefore, all truth is from God and is revealed by and through His Son and the Word of God (John 14:6, John 17:17). To understand the revealed truth, we must study Him and His Word and judge and interpret truth as seen through the Bible.

View of Education: Education must enable man to understand and learn of God and how to live in His creation. The basis of education is the Word of God and all education is viewed from that perspective.
